<i>Tool fittings for automatic tool change:</i>			
Insertion sleeve for tool fitting	72	ET-JA-WS-ES10	15.80
Tool fitting incl. insertion sleeve (10.6 mm ring diameter)	72	ET-JA-WS-6	44.00
<i>Carbide lances:</i>			
Lance, 5 mm length, for oscillating tangential cutting head	72	HL-OT-05	36.00
Lance, 5 mm length, for oscillating tangential cutting head, extra thin type	72	HL-OT-05ED	36.00
Lance, 10 mm length, for oscillating tangential cutting head	72	HL-OT-10	44.00

## Expendable Items

**Please note that you will need the expendable items which are listed here only for re-orders. Our CAM system modules already include all necessary items. So the delivery extent of a spindle already includes for instance all important collet chucks.**

Article Description	Cat. Page	Article Number	Price in Euro
Lance, 10 mm length, for oscillating tangential cutting head, extra thin type	72	HL-OT-10ED	44.00
Lance, 15 mm length, for oscillating tangential cutting head	72	HL-OT-15	52.00
Lance, 15 mm length, for oscillating tangential cutting head, extra thin type	72	HL-OT-15ED	52.00
Standard knife for tangential cutting head (25 pieces)	72	HL-TS-STD	8.00
Standard drag knife	72	HL-SM-STD	28.00
